**GOVERNMENT’S NOTICE RE SENTENCING**

Pursuant to the Court’s sentencing procedures order dated December 13, 2019 (Dkt. # 64), the United States hereby notifies the Court that (a) the United States is not moving for a departure from the applicable guideline range or a non-guideline sentence, (b) the United States does not contend that there are any further legal questions not adequately addressed in the presentence report, and (c) there are no factual issues that require an evidentiary hearing. The United States still anticipates that a representative of the Navy intends to make an oral victim impact statement at the sentencing hearing.

Respectfully submitted,

ANDREW E. LELLING  
United States Attorney
